Zig Zag - Cruiser Stern

Price: £59,995

Key Features

Berths:	4
Length & Type:	55ft Cruiser Stern
Year:	2019

Description

Welcome aboard Zig Zag, a one-of-a-kind 55-foot classic cruiser stern boat designed for endless adventures. Crafted in 2019 by ABC Boston, this vessel showcases exceptional craftsmanship with its rivet detailing, pointed stern & bow, and double-glazed windows adorned with three roof lights.

Powered by a reliable 35hp Barrus Shire engine boasting minimal hours, Zig Zag ensures both reliability and efficiency as you navigate the waterways. Its traditional butty-style tiller adds a touch of nostalgia to your cruising experience.

Step inside and discover a thoughtfully designed layout featuring a bedroom, bathroom, galley, dinette, and saloon. The bedroom offers a full-size double bed with an extender option, while the bathroom boasts a full-size glazed shower enclosure, separate toilet (cassette), and washbasin. The well-equipped galley features a Belfast sink, gas hob, oven, fridge/freezer, and ample storage space for all your provisions.

The Pullman-style dinette effortlessly converts into a double bed, providing additional sleeping quarters or seating for the spacious saloon. Here, you'll find room for free-standing furniture and entertainment options, creating the perfect space to unwind after a day on the water.

Zig Zag is not just about comfort; it's also equipped with a comprehensive electrical system, including a 3kW Victron inverter/charger, MPPT, Smart Battery Monitor, and solar panels. Stay cozy with the Eberspacher diesel boiler providing warmth through the boat's five radiators.

Safety and compliance are top priorities aboard Zig Zag, evidenced by its recent Boat Safety Certificate and regular maintenance, including hull blacking in January 2023. To ensure full compliance with legal and safety standards, a Post Completion Assessment certification will be commissioned by the present vendor at their own cost prior to sale completion.

While Zig Zag may require some cosmetic reconfiguring internally, it presents excellent value for those looking to invest in its potential. Don't miss the chance to own this unique, well-equipped, and meticulously maintained cruiser stern boat that promises unforgettable journeys on the water.
