About this Boat: New Dawn has been very well maintained (all documented) and upgraded during her lifetime (New Webasto, New Inverter, full repaint 2009 by Andy Russell) plus only just over 1400 engine hours and as such is a very desirable narrowboat from the highly regarded boat builder that is Braidbar Boats Ltd. Comes with a new BSS, August 2020 survey. New Dawn will generate a lot of interest so book a viewing early to avoid disappointment.
